## **Missionary Support Plans**

Were you aware that you have the ability to provide ongoing monthly support for our ministry with just one gift? Through the Wycliffe Foundation, you can set up a Missionary Support Plan, an agreement that enables you to provide our ministry guaranteed monthly support until funds are exhausted. It only takes a single gift of \$10,000 or more in cash or other assets and can be set up to begin immediately or after your lifetime. Any contributions are eligible for current-year tax deductions.

If you'd like to learn more about advancing Bible translation through an MSP or other ways to support our work through gift planning, please contact the Wycliffe Foundation toll-free at (877) 493-3600. You may also email [info@wycliffefoundation.org](mailto:info@wycliffefoundation.org) or visit <http://wycliffefoundation.org>.
